

MITCHAM BOWLING CLUB SPONSORSHIP INFORMATION

ABOUT US

Our Story commenced with a vision in 1958...

Over the past half-century and more, the vision has become reality for thousands resulting in Mitcham Bowling Club becoming a successful member of Bowls Victoria (previously the Royal Victorian Bowls Association and Victorian Ladies Bowling Association), winning many Pennant titles and producing several top bowlers.

The Club is in a prominent position, with two superb tiddwarp bowling greens at its home in the beautiful surrounds of Halliday Park on Mitcham Road. It provides an important recreational facility for the Mitcham region. Further, it also provides a vital social outlet for people of all ages and backgrounds.

A leading example of this is the number of Barefoot Bowls evenings conducted by the Club as an introduction to the game of bowls. Many social groups and corporate bodies enjoy these evenings throughout the year.

BOWLING CLUB OF CHOICE

In an era when membership of bowling clubs is declining, Mitcham Bowling Club's membership base is continually expanding and with this providing more opportunities for people to enjoy the game of lawn bowls.

Throughout the year, Mitcham Bowling Club host regular pennant and competition matches on our greens that yield an exposure to in excess of 5,000 members, visitor bowlers and general public. This number is continuing to grow.

Together as we expand, we'll continue to provide an encouraging, developing, competitive and successful bowling club for the community!

PERFORMANCE ON THE GREENS

It's an exciting time to be involved with the Mitcham Bowling Club – both on and off the greens. Mitcham Bowling Club's strong representation in the Metro Weekend, Metro Midweek and Eastern Ranges Night Pennant competitions continued in the 2024-25 season. The club fielded competitive Sides in all these competitions with tremendous success.

- ⇒ 100+ Bowling Members playing in Pennant Sides.
- ⇒ Expanded the number of Sides to 12 for the season.
- ⇒ 10 Sides played in finals games.
- ⇒ 2 Sides achieved promotion into the next Division for 2025-26 season.
- ⇒ 5 Sides won their Pennant Division Section Final.

During the 2024-25 season, Mitcham Bowling Club were strongly represented in the Eastern Ranges tournaments, with our youngest Member winning the elite Womens Singles Champion of Champions and then going on to Win the State Novice Championship. Many other players progressed through to the final's series of games in several categories, these included; Singles, Pairs, Triples, Fours, Over 60s Pairs Fours and Mixed Pairs. The Mitcham Bowling Club also had several of our members selected to represent the Eastern Ranges in Region Sides competitions as well as for Victoria in the Under 18 side on the National stage

The Mitcham Bowling Club is fully supportive of the development of all our Bowling Members. Bowlers have recognised this and are selecting the Mitcham Bowling Club as their club of choice, and this has resulted in an increase in Bowling Members. These new Bowling Members complement existing Bowling Members across all demographics including levels of abilities, age and gender.

Fostering relationships with local schools and other community sporting clubs is providing opportunities for younger and less experienced bowlers to be introduced to the game of lawn bowls. The development of these bowlers is an ongoing focus for the Mitcham Bowling Club.

“We’re not just a bowling club, we’re a community hub.”
